Prepared Under the Financial Information Regulation, Schedule 1, Section 9

The Financial Statements contained in this Statement of Financial Information under the ***Financial Information Act*** have been prepared by management in accordance with Canadian public sector accounting standards, and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all the statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control.

The external auditors, KPMG LLP, conduct an independent examination, in accordance with Canadian generally accepted auditing standards, and express their opinion on the financial statements. Their examination does not relate to the other schedules and statements required by the *Act*. Their examination includes a review and evaluation of the municipality's system of internal control and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly. The external auditors have full and free access to the Council.
