

# CONSTRUCTION NOTICE

## TOWNSITE AREA UTILITY UPGRADES - PHASE 1

Sept 20, 2024

City File: C1605

Please be advised that Knappett Industries (2006) Ltd., on behalf of the City, will be completing watermain and sanitary sewer upgrades in your area, starting November 1, 2024, and is scheduled to be completed by December 2025. Crews may be onsite performing some preliminary work in September and October.

During this construction period, traffic disruptions can be expected and detours may be in effect. Every effort will be made to keep local disruptions to a minimum. Construction signs will be posted and flagpersons will be on duty to assist with the traffic flow. Please exercise caution, obey all signage placed for your safety and follow the directions of the flagpersons on duty. If you have young children, please advise them of the dangers and limited visibility of heavy equipment and trucks.

For further information, please visit the current construction project website:
