

# CONSTRUCTION NOTICE

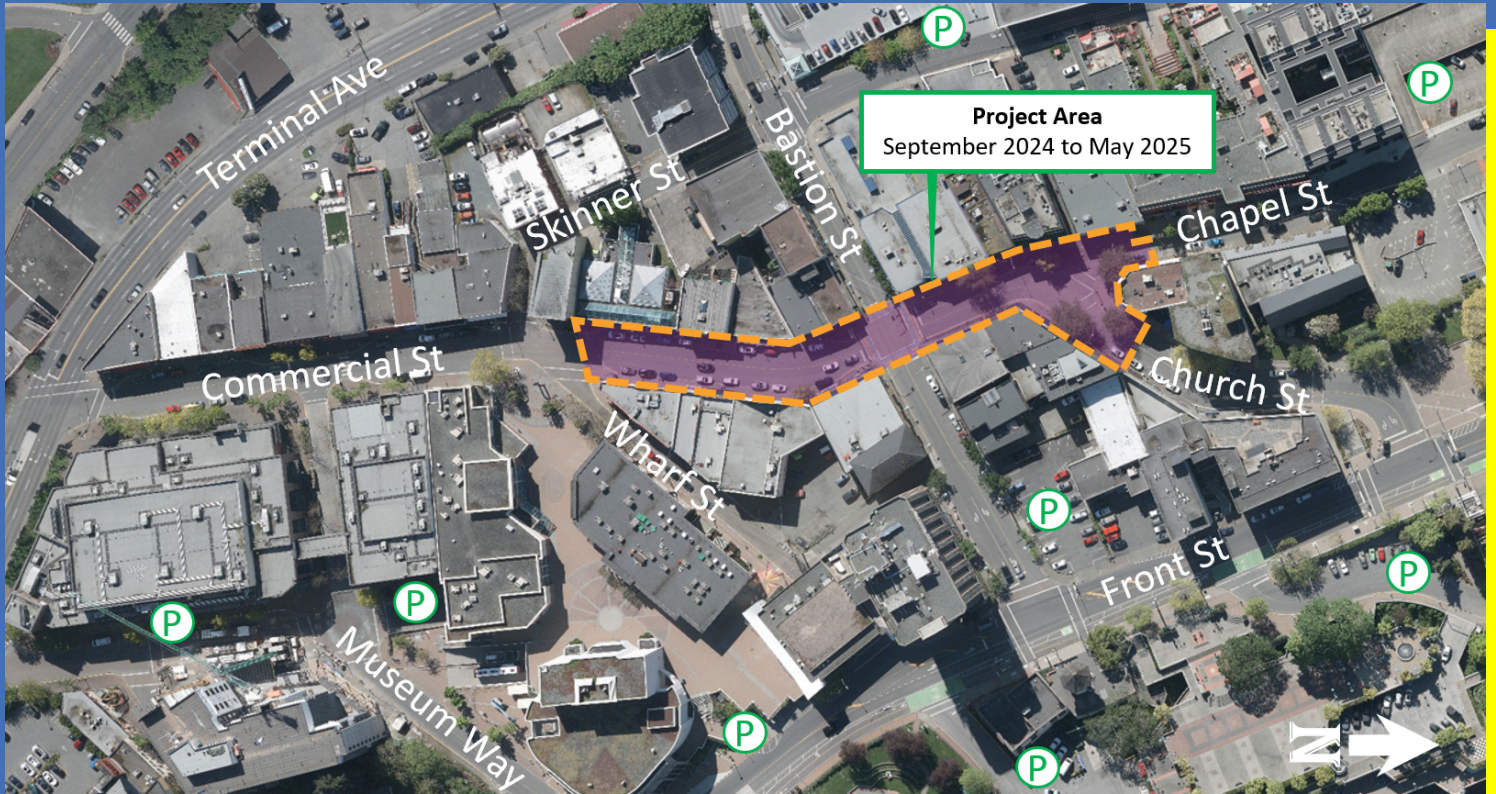

## COMMERCIAL STREET UPGRADES WHARF TO CHURCH STREET

Windley Contracting Ltd., working for the City of Nanaimo is scheduled to begin construction on Commercial Street on September 3, 2024.

Construction for this project is expected to occur over the course of approximately 8 months. Road closures and traffic detours will be necessary during construction. Pedestrian passage and access to businesses will be maintained. **Stay Safe!** Please exercise caution and obey all signage and the direction of traffic control personnel, who are there for your safety.

The project consists of:

- Watermain replacement;
- New surface works including sidewalks, gutters, roadwork, and concrete pavers;
- Electrical works including streetlights, catenary lighting, and LED lighting;
- Integrated public art including an intersection mural, and;
- Landscaping including trees and shrubs, structural soil cells, planters, irrigation systems, storm water collection systems, and a variety of street furnishings.
