****Bylaw section 17.12. North Nanaimo character area. In 2003/4, sixty-five Thuja plicata were planted on the site. These have been well-maintained and are thriving on the site. The current plan proposes replacing the street trees which are not thriving and adding more deciduous trees for a total of 80 trees on the site. There will be a total of 81% evergreen trees on the site.**
